Operators visit Walkerton

From left to right: Greg Edwards, Connor McCauley, Robert Dawson, Phil Tongie, Allan Gibbons, Edward Black, Terrence Bird, Troy White and Amanda Kelly.

Operators from First Nations communities visited Walkerton in August and to read some of the stories associated with the Walkerton water tragedy that occurred in July of 2000. (see story page 12)

Sponsored by: Indigenous Services Canada and First Nations Inuit Health Branch

Aboriginal Water and Wastewater Association of Ontario

To advertise in the Waterdrum please contact:

Do you...

- want to reach out to First Nation communities in Ontario?
- share information about your products/services?
- share your contact information with AWWAO members?

If YES, you'll be happy to know that you can now advertise in the Waterdrum, AWWAO's quarterly newsletter!

AWWAO members include water operators from First Nations in Ontario, environmental health officers, tribal councils, equipment suppliers and some government agencies.

The Waterdrum is distributed quarterly by email and every issue is available on AWWAO's website (awwao.org).
